Catherine A. Forrester MD practiced medicine in the Toms River community for several decades. Prior thereto, she was a forerunner in the care of patients with HIV/AIDS. She provided skilled, compassionate care to all regardless of their ability to pay. She was decorated teacher and was particularly beloved by the medical students, nurses and nurse practitioners with whom she worked and empowered. This scholarship is intended to continue her support of women in medicine. Catherine's children William Russell '16 and Kira Russell '17 graduated from Donovan Catholic and her husband has coached basketball at DCHS since 2009.

Submit this application together with two letters of recommendation from teachers or school/community leaders.

Maintain an "A" average.

Attach an essay 300 words titled "What motivates you to pursue a career in medicine and how will that influence your future practice."
