The high school community of Donovan Catholic educates its students to live their faith, respect and serve others in a global society, and pursue academic excellence in a College preparatory environment.

Donovan Catholic seeks candidates who will fully embrace its mission, to provide an academically rigorous Catholic education to young men and women. We are a community where every student is known, the dignity of all is appreciated, and apparent and potential gifts are developed in mind, body, and spirit.

Donovan Catholic High School seeks applicants for the position of

Math Teacher

We seek a teacher to teach a high school Math curriculum to grades 9-12. Have knowledge in most of the areas but is limited to Algebra, Geometry, Trigonometry and Calculus. **A computer science background is preferred but not required.** Must be a role model for the Catholic Faith teachings.

Tailor curriculum to engage students by using technology and having a student-centered classroom. Be able to differentiate instruction when needed.

- Design and implement assessments that measure progress towards academic standards
- Participate in the school community and professional development.
- Effectively manage all classes
- Communicate and collaborate effectively with students, families, and colleagues

Successful candidates will have:

- Bachelor's or Master's (preferred) degree in education or a related field
- Excellent oral and written skills
- Outstanding interpersonal and teamwork skills
