Spanish 3 ACC

Please download and print out the Spanish 3CP Summer Assignment - Question Packet document attached below.

ALL WORK must be done in print so that all answers are legible when this assignment is checked. Unless the exercise requires you to fill in the blank, all answers are to be done in complete sentences (subject + verb). Failure to follow these instructions will result in a zero.

Please use the PDF file labeled Repaso R1-R57 attached below to help you complete the question packet.

Be prepared to submit your packet on the first day of class.

You will be tested on all the information found within the Spanish 3CP Summer Assignment question packet during the first week of school.

It is also recommended that you review the vocabulary attachments on this eboard note prior to beginning Spanish 3.
