

DONOVAN CATHOLIC
— IT MAKES A DIFFERENCE —

For Students entering Spanish 2 Honors

Attached you will find packets for review. There is a list of verbs you learned in Spanish 1 and forms to practice the conjugation of those verbs. These forms are for your benefit and will NOT be collected BUT, as you work on the packet, remember that this is review material and you will be tested on it within two weeks of the start of class. Therefore, any material you are unsure about should be reviewed prior to the start of class. I have attached two links below to research/practice verbs you are unclear about. This packet will count as a two homework grades and can earn you up to ten (10) extra credit points on the packet test (based on accuracy of answers.) Again, as you complete the packet, take note of those issues you are struggling with and use the following links for reference.

[Descubre Vocabulary Ch1-6](#)

Have a great summer!

Remember: you will be tested on these skills after the first two weeks of school.
